

HYBRID LIVE ELECTRONIC DUO

JAGWOLF

Dance music meets rock concert. A signature live experience.

HOUSE

AFRO HOUSE

MELODIC HOUSE

INDIE DANCE

Formed in 2025, JAGWOLF is the hybrid live duo of Nova Wolf and Shalman, a JUNO Award-winning Canadian producer and multi-instrumental artist, and an Indonesian-Malay-American DJ and producer. Together they fuse original production, live instrumentation, and vocals with afro house, melodic house, and indie dance to create something atmospheric, cinematic, and unmistakably theirs. Live guitar and percussion, hypnotic keys, and haunting vocals build toward the kind of late-night spiritual moments their audience travels for.
